WCRCL has upgraded 'WCRSE 3' (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to Akter Store (hereinafter referred to as 'AS' or 'The Enterprise') based on its financial and other relevant qualitative and quantitative information up-to the date of the rating assessment.

The above ratings have been assigned based on the fundamentals of the enterprise which include strong business network, experienced management, low leverage position in the capital structure good interest coverage position and comfortable security arrangement. However, the above factors are constrained to some extent by lack of disclosure in the financial statement, tight liquidity position, inventory holding risk and price volatility of the products.

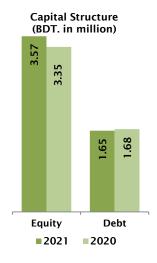

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "Stable" outlook and believes that **AS** will be able to maintain its good fundamentals in the foreseeable future.
