Capital Structure
(BDT. in million)

RATING RATIONALE

WCRCL has reaffirmed 'WCRSE 3' (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to **Abdullah Fabrics** (hereinafter referred as "AF" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Good business network
- Long business experiences of the Proprietor
- Good personal net worth of the Proprietor
- Low levered capital structure
- Good interest coverage position
- Comfortable security arrangement against loan
- Satisfactory banking relationship
- Good limit utilization

However, the above rating has been moderated to some extent due to some factors like:

- No disclosure of financial statements
- Market saturation or high competition
- Small scale in the business
- Tight liquidity position with long cash conversion cycle
- Price volatility of the products

The SME rating implies that the enterprise is adjudged to **above average level** of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "Stable" outlook and believes that AF will be able to maintain its good fundamentals in the foreseeable future.
