**RATING RATIONALE**

WCRCL has assigned 'WCRSE 4' (pronounced as WASO Credit Rating Small Enterprise Four) rating under the SME Rating to Maa Enterprise (hereinafter referred as "ME" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Satisfactory banking relationship
- Good mortgage security coverage against loan
- Good business network
- Low levered capital structure

However, the above rating has been moderated to some extent due to some factors like:

- Low interest coverage ratio
- Tight liquidity position with long cash conversion cycle
- No insurance coverage
- Low disclosure of financial statements
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "Stable" outlook and believes that ME will be able to maintain its good fundamentals in the foreseeable future.
