WCRSE 3 rating is equivalent to Bangladesh Bank SME rating scale of SME 3 under BRPD circular number BRPD(BIC)661/14B(P)/2014/2093

**Methodology:** SME rating methodology published on the WCRCL website at [www.wasocreditrating.com](http://www.wasocreditrating.com)

**RATING RATIONALE**

WCRCL has assigned 'WCRSE 3' (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to Mokkah Battery and Auto Traders (hereinafter referred as "MBAT" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Satisfactory banking relationship
- Good business network
- Good profitability margin
- Good interest coverage position

However, the above rating has been moderated to some extent due to some factors like:

- Tight liquidity position with long cash conversion cycle
- Highly levered capital structure
- Low disclosure of financial statements
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "Stable" outlook and believes that MBAT will be able to maintain its good fundamentals in the foreseeable future.
