RATING RATIONALE

WCRCL has upgraded **WCRSE 3** (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to **Farid Enterprise** (hereinafter referred to as 'FE' or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating declaration.

The above ratings have been assigned based on the fundamentals of the enterprise which skilled and experienced management and workforce, long business record and good business network, satisfactory banking relationship. However, the above factors are constrained to some extent by poor disclosure in the financial statement, lack of insurance coverage, tight liquidity with long cash conversion cycle, and small scale operation

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other SE's / ME's.

WCRCL also viewed the enterprise with "Stable" outlook and believes that FE will be able to maintain its good fundamentals in the foreseeable future.
