## RATING RATIONALE

WCRCL has reaffirmed 'WCRSE 4' (pronounced as WASO Credit Rating Small Enterprise Four) rating under the SME Rating to New Sundarban Garments (hereinafter referred as "NSG" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Owned business premises and storage facility
- Satisfactory banking relationship
- Good mortgage security coverage against loan
- Good business network
- Good interest coverage position
- Low levered capital structure

However, the above rating has been moderated to some extent due to some factors like:

- Tight liquidity position with long cash conversion cycle

- Low management information system (MIS) and Manual accounting system
- No Insurance Coverage

The SME rating implies that the enterprise is adjudged to average level of credit worthiness in relation to other small enterprises.
