Capital Structure
(BDT. in million)

RATING RATIONALE

WCRCL has upgraded 'WCRSE 3' (pronounced as WASO Credit Rating Small Enterprise Four) rating under the SME Rating to **Robin Shoes** (hereinafter referred as "RS" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Satisfactory banking relationship
- Good business network
- Good interest coverage position
- Low levered capital structure

However, the above rating has been moderated to some extent due to some factors like:

- Tight liquidity position with long cash conversion cycle
- Lower profit margin
- Low disclosure of financial statements
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "Stable" outlook and believes that RS will be able to maintain its good fundamentals in the foreseeable future
