**Methodology:** SME Rating Methodology published on the WCRCL website at www.wasocreditrating.com

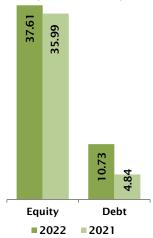

## **RATING RATIONALE**

WCRCL has reaffirmed 'WCRSE 3' (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to Zarzis Enterprise (hereinafter referred to as 'ZE' or 'The enterprise') based on its financial and other relevant qualitative and quantitative information up-to the date of the rating assessment.

The above ratings have been assigned based on the fundamentals of the enterprise which include positioning of selling point at prime region, long business experiences of the proprietor, good business network, and low leverage position in the capital structure, good liquidity position and comfortable security arrangement and good banking conduct. However, the above factors are constrained to some extent by average disclosure in the financial statement, market saturation or high competition, price volatility of the products, proprietorship concern has no legal entity, no insurance coverage.

The SME rating implies that the enterprise is adjudged to **above** average level of credit worthiness in relation to other small enterprises.
