RATING RATIONALE
WCRCL has re-affirmed WCRSME 4 (Pronounced WASO Credit Rating Small Enterprise Four) rating to Abu Saeed and Brothers (hereinafter referred to as 'ASB' or 'The enterprise') based on its financial and other relevant qualitative and quantitative information up-to the date of the enterprise.

The above rating has been assigned based on long experience of the Promoter helps to form stronger relationship with suppliers, customers and lenders, satisfactory coverage position of the concern, comfortable interest coverage position etc. However, the above factors are constrained to some extent by poor disclosure in financial statements, risk associated with procurement of products, small scales of operation, high competitive intensity of the traded products, highly levered concern, and liquidity of the firm was in stressed position due to payment nature of the customers.

The SME rating implies that the enterprise is adjudged average level of credit worthiness in relation to other SEs/MEs.

WCRCL also viewed the enterprise with Stable outlook and believes that ASB will be able to maintain its good fundamentals in the foreseeable future.
