Methodology: SME rating methodology published on the WCRCL website at [www.wasocreditrating.com](http://www.wasocreditrating.com)

## RATING RATIONALE

WCRCL has reaffirmed ‘**WCRSE 3**’ (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to **Al Amin Bedding Store** (hereinafter referred as “ABS” or “The Enterprise”) based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been reaffirmed based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Satisfactory banking relationship
- Low levered capital structure
- Good debt coverage position

However, the above rating has been moderated to some extent due to some factors like:

- Tight liquidity position
- Low disclosure of financial statements
- Small scale operation
- Lower profit margin
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with “Stable” outlook and believes that ABS will be able to maintain its good fundamentals in the foreseeable future.
