Methodology: SME Rating Methodology published on the WCRCL website at www.wasocreditrating.com

RATING RATIONALE

WCRCL has reaffirmed **WCRSE 3** (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to **Sagor General Store** (hereinafter referred to as ‘SGS’ or “The Enterprise”) based on its financial and other relevant qualitative and quantitative information up-to the date of the rating declaration.

The above ratings have been assigned based on the fundamentals of the enterprise which good market reputation and strong business network, low levered firm, strong debt coverage position. Ready succession and positive business trend. However, the above factors are constrained to some extent by manual accounting system, lower profit margin, stressed liquidity position with long cash conversion cycle, price volatility of trading products, and moderate disclosure of financial statements.

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other SE's / ME's.
