RATING RATIONALE

WCRCL has reaffirmed 'WCRSME3' (pronounced as WASO Credit Rating Small & Medium Enterprise Three) rating under the SME Rating to Annex Packages And Accessories (hereinafter referred as "APA" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Good business network
- Satisfactory banking relationship
- Good interest coverage position
- Low levered capital structure

However, the above rating has been moderated to some extent due to some factors like:

- Lack of disclosure in the financial statements
- Tight liquidity position considering long cash conversion cycle
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to above average credit quality.

WCRCL also viewed the enterprise with "Stable" outlook and believes that APA will be able to maintain its good fundamentals in the foreseeable future. This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy.
