Methodology: SME rating methodology published on the WCRCL website at www.wasocreditrating.com

RATING RATIONALE

WCRCL has reaffirmed 'WCRSME 3' (pronounced as WASO Credit Rating Small and Medium Enterprise Three) rating under the SME Rating to Kader and Sons (hereinafter referred as "KAS" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Good mortgage security coverage against loan
- Good business network
- Relaxed liquidity position
- Low levered capital structure

However, the above rating has been moderated to some extent due to some factors like:

- Marginal Interest Coverage Ratio
- Thin profit margin
- Low disclosure of financial statements
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "Stable" outlook and believes that KAS will be able to maintain its good fundamentals in the foreseeable future.
