## RATING RATIONALE

WCRCL has upgraded 'WCRSE 3' (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to Khan Rice Mill (hereinafter referred to as 'KRM' or 'The Enterprise') based on its financial and other relevant qualitative and quantitative information upto the date of the rating assessment.

The above ratings have been assigned based on the fundamentals of the enterprise which include of long business experiences of the proprietor, good business network, low leverage position in the capital structure, good interest coverage position \& comfortable security arrangement.
However the above factors are constrained to some extent by lack of disclosure in the financial statement, inventory holding risk, tight liquidity position with long cash conversion cycle \& manual accounting process.

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "Stable" outlook and believes that KRM will be able to maintain its good fundamentals in the foreseeable future.
