RATING RATIONALE

WCRCL has assigned 'BBB-' (pronounced Triple B Minus) rating for the Long Term and 'ST 4' (pronounced as Short Term Four) rating for Short Term to **Everest Enterprise Limited** (hereinafter referred to as 'EEL' or '**The Company**') based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance. WCRCL assigned 'blr ST 4' (pronounced Bank Loan Rating Short Term Four) rating for Short Term bank Loan.

The above ratings have been assigned based on the fundamentals of the company which include experienced and skilled management, comfortable security arrangement, availability of the supply of raw materials and own equipment and machinery. However, the above factors are constrained to tight working capital requirement, stressed liquidity position with long cash conversion cycle and high inventory pile-up affecting working capital.

The long term rating implies that the entity is subject below average credit quality. The short term rating implies that below average ability to meet short term financial commitments.

WCRCL also viewed the company with "Stable" outlook and believes that EEL will be able to maintain its good fundamentals in the foreseeable future.

This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy
