RATING RATIONALE

WCRCL has reaffirmed 'WCRSE 3' (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to Milon Oil Mill (hereinafter referred as "MOM" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Good business network
- Satisfactory banking relationship
- Low levered capital structure
- Good profitability margin
- Maintained sound business relation with supplier & buyer

However, the above rating has been moderated to some extent due to some factors like:

- Lack of disclosure in the financial statements
- Tight liquidity position considering long cash conversion cycle
- No Insurance coverage
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to above average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "Stable" outlook and believes that MOM will be able to maintain its good fundamentals in the foreseeable future.
