RATING RATIONALE

WCRCL has reaffirmed '**WCRSE 3**' (pronounced as WASO Credit Rating Small Enterprise **Three**) rating under the SME Rating to **Momta Traders** (hereinafter referred as "**MT**" or "The Enterprise") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Good business network
- Good profitability margin
- Good interest coverage position
- Satisfactory banking relationship

However, the above rating has been moderated to some extent due to some factors like:

- Low disclosure of financial statements
- Tight liquidity position with long cash conversion cycle
- Highly levered capital structure
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to **above average level** of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with "**Stable**" outlook and believes that MT will be able to maintain its good fundamentals in the foreseeable future.
