Methodology: SME rating methodology published on the WCRCL website at www.wasocreditrating.com

RATING RATIONALE

WCRCL has reaffirmed 'WCRSME3' (pronounced as WASO Credit Rating Small and Medium Enterprise Three) rating to Mukta Enterprise (hereinafter referred to as 'ME' or 'The Enterprise') based on its financial and other relevant qualitative and quantitative information up to the date of the rating issuance.

The above rating has been assigned based on long experience track of the proprietor, low levered enterprise, good interest coverage position, good security arrangement and regular loan repayment history.

However, the above factors are constrained to some extent by tight liquidity position, inventory holding risk and average disclosure of financial statement.

The SME rating implies that the enterprise is adjudged above average credit quality.

WCRCL also viewed the enterprise with "Stable" outlook and believes that ME will be able to maintain its good fundamentals in the foreseeable future. This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy.
