**Methodology:** SME rating methodology published on the WCRCL website at [www.wasocreditrating.com](http://www.wasocreditrating.com)

## RATING RATIONALE

WCRCL has re-affirmed **“WCRSE 3”** (pronounced as WASO Credit Rating Small Enterprise Three) rating under the SME Rating to **Nafis Trade International** (hereinafter referred as “NTI” or “The Enterprise”) based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced & skilled management
- Satisfactory banking relationship
- Low levered capital structure
- Good interest coverage position
- Good security coverage against loan
- Good loan utilization ratio

However, the above rating has been moderated to some extent due to some factors like:

- No insurance coverage
- Tight liquidity position with long cash conversion cycle
- Low disclosure of financial statements
- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged above average level of credit worthiness in relation to other small enterprises.

WCRCL also viewed the enterprise with “Stable” outlook and believes that NTI will be able to maintain its good fundamentals in the foreseeable future.
