RATING RATIONALE

WCRCL has reaffirmed **WCRSME3** (pronounced as WASO Credit Rating Small & Medium Enterprise Three) rating under the SME Rating to **S.M. Auto Center** (hereinafter referred to as 'SMAC' or 'The Enterprise') based on its financial and other relevant qualitative and quantitative information up-to the date of the rating declaration.

The above ratings have been assigned based on the fundamentals of the enterprise which include good market reputation and strong business network, low levered firm, good debt coverage position, and good value to loan ratio. However, the above factors are constrained to some extent by manual accounting system, moderated liquidity position, price Volatility of trading products, and moderated disclosure in the financial statements.

The SME rating implies that S. M. Auto Center is adjudged to above average credit quality.

WCRCL also viewed S. M. Auto Center with "Stable" outlook and believes that SMAC will be able to maintain its good fundamentals in the foreseeable future. This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy.
