Methodology: SME rating methodology published on the WCRCL website at www.wasocreditrating.com

RATING RATIONALE

WCRCL has reaffirmed **WCRSME3** (Pronounced WASO Credit Rating Small & Medium Enterprise Three) rating to **Sikder Trade International** (hereinafter referred to as 'STI' or 'The enterprise') based on its financial and other relevant qualitative and quantitative information up-to the date of the enterprise.

The above rating has been assigned based on experienced proprietor and management, satisfactory coverage position, comfortable coverage position, low levered concern etc. However, the above factors are constrained to some extent by poor disclosure in financial statements, risk associated with procurement of products, small scales of operation, high competitive intensity of the traded products, tight liquidity position.

The rating implies that the enterprise has an above average credit quality.

WCRCL also viewed the enterprise with **Stable** outlook and believes that **STI** will be able to maintain its good fundamentals in the foreseeable future. This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy.
