## RATING RATIONALE

WCRCL has reaffirmed 'WCRSME3' (pronounced as WASO Credit Rating Small and Medium Enterprise Three) rating under the SME Rating to Akash Enterprise (hereinafter referred to as 'AE' or 'The Enterprise') based on its financial and other relevant qualitative and quantitative information up-to the date of the rating assessment.

The above ratings have been assigned based on the fundamentals of the enterprise which include of long business experiences of the proprietor, good business network, Good mortgage security coverage against loan \& good interest coverage position.

However the above factors are constrained to some extent by lack of disclosure in the financial statement, tight liquidity position with long cash conversion cycle, highly levered position in the capital structure \& manual accounting process.

This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy.
