**Capital Structure
(BDT. in million)**

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Long business experiences of the proprietor in the business
- Good business
- Good profitability margin
- Low levered capital structure
- Comfortable interest coverage position
- Satisfactory banking relationship
- Good mortgage security coverage against loan

However, the above rating has been moderated to some extent due to some factors like:

- No disclosure in the financial statements
- Small scale in the business
- Tight liquidity position considering long cash conversion cycle
- No insurance coverage for the inventory in stock
- Manual accounting system

The SME rating implies that the enterprise has above average credit quality.

WCRCL also viewed the enterprise with "Stable" outlook and believes that AT will be able to maintain its good fundamentals in the foreseeable future. This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy.
