## RATING RATIONALE

WCRCL has assigned 'WCRSME3' (pronounced as WASO Credit Rating Small & Medium Company Three) rating under the SME Rating to **Steam & Diesel International Limited** (hereinafter referred as "S&DIL" or "The Company") based on its financial and other relevant qualitative and quantitative information up-to the date of the rating issuance.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Satisfactory banking relationship
- Good mortgage security coverage against loan
- Good business network
- Good interest coverage position
- Low levered capital structure

However, the above rating has been moderated to some extent due to some factors like:

- Low management information system (MIS) and Manual accounting system

The SME rating implies that the enterprise is adjudged to **Above average credit quality**.

WCRCL also viewed the enterprise with "**Stable**" outlook and believes that S&DIL will be able to maintain its good fundamentals in the foreseeable future.

This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy.
