RATING RATIONALE

WCRCL has reaffirmed **WCRSME3** (Pronounced WASO Credit Rating Small and Medium Enterprise Three) rating to **Uzzal Colour** (hereinafter referred to as 'UC' or 'The enterprise') based on its financial and other relevant qualitative and quantitative information up-to the date of the enterprise.

The above rating has been assigned based on the fundamentals of the enterprise which includes:

- Experienced and skilled management
- Owned business premises and storage facility
- Good business network
- Good interest coverage position
- Low levered capital structure
- Good mortgage security coverage against loan

However, the above rating has been moderated to some extent due to some factors like:

- Tight liquidity position with long cash conversion cycle
- Inventory holding risk
- Low disclosure of financial statements
- Manual accounting system

The SME rating implies that the enterprise is adjudged to above average credit quality.

WCRCL also viewed the enterprise with "Stable" outlook and believes that UC will be able to maintain its good fundamentals in the foreseeable future. This rating may be revised in case of any extraordinary changes in line with the sponsor's equity investment, debt obligations, management, business operations and/or changes in any macro and micro factors in the economy.
